

# 鎖模扣 PLSW LATCH LOCK

鎖模組件系列  
Ejector Pin and Pin Front

通過鈎形鎖銷，插銷重復動作的結構，使產品小型化節省安裝空間。也可用於退料板頂出。

The structure of hooked locking pin and repeated actions of plug pin makes the product miniaturization so that it saves installation space. It can also be used for ejection of stripper plate.
